

MinuteVan Parking Permit Policy

The Town of Acton has implemented a Parking Permit Policy in conjunction with the MinuteVan Rail Shuttle. The program includes parking privileges for registered participants who follow the guidelines listed below. The program is managed by the MinuteVan Transportation Coordinator and is closely monitored by Acton Police. Failure to comply with the Policy may result in removal from the program and violators are subject to fines, tickets and/or towing.

1. To be eligible for parking in the reserved area at either the West Acton Fire Station lot or the Mt. Calvary Church lot, participants must register in the program and obtain a valid parking sticker for their vehicle and a bus pass. The bus pass must be shown to the driver each time the service is used.
2. Sticker/bus pass combo is \$250/year and is valid for one calendar year.
3. Participants may only use the assigned spaces Monday through Friday. Spaces are reserved for commuters only between 6:00 AM and 10:00 AM.
4. There is no overnight parking.
5. The parking sticker must be displayed in the driver side rear window.
6. ***Parking stickers are not transferable.*** Stickers are for use only by the person to whom they are issued and in the vehicle they have registered.
